No. R.C.8045/41.M. dated 10-12-41. 191

Sir,

Sub: Sugar Excise Fund - Subsidy to sugar cane growers' Purchase of Hand Refractometer.

Ref: G.O.No. 2640, Development, dated 27-11-37.

The Hospet Sugar-cane Growers' Cooperative Union, Hospet, has applied for permission to purchase a Zeiss Hand Refractometer for use in the fields. According to the conclusions reached at the Ryots' meeting held at Hospet in September last, the ryots agreed to supply cane to the factory through the Hospet Loan and Sale Society, and this supply will come to about 30,000 tons during this season. To facilitate inspection and testing of cane raised by the members and to regulate the supply of ripe cane to the Factory during the season, it is necessary to provide the Union with a Refractometer. The Union has, therefore, resolved to purchase one and has applied to me for the necessary permission. The Director of Agriculture whom I consulted has stated that the Hand Refractometer is a useful instrument and that its purchase

by the Union may be permitted. I request that Government may be pleased to permit the Hospet Sugar Growers' Cooperative Union to purchase a Hand Refractometer from the balance of Undrawn subsidy sanctioned to it. The cost of the apparatus is said to be about Rs. 250/-.
